

How You Can Help

MAKE A CONTRIBUTION

Your donations to SAFE will facilitate under-privileged but talented students in their studies. It will help them achieve their full potential and make their dreams and aspirations come true.

SMALL DONATIONS

They say, « Little drops makes the mighty ocean ». Your small donations can make a huge difference in the life of hundreds of under-privileged talented students, their families, and ultimately the society.

NAMED SCHOLARSHIPS

You can setup a named scholarship if you want to have a lasting impact. Your named scholarship can be setup through a one-off donation of Rs. 1 Million or more. You can even be involved in deciding who should receive the scholarship and you will be notified annually when the scholarship recipients have been selected and are informed of the details of the recipients (if wished so), as well as the amount of the award. You will also be invited to the award distribution ceremony. It's just like having your own family or company's charitable fund but without the hassle of setting it up and managing it.

Donations can be made in cash, cheque or bank transfer to
National Bank of Pakistan, University of Malakand Branch
Account Number CA 965-7, Branch Code: 1990,
SWIFT Code: NBP.APKKAA02P
(Please mark all cheques as payable to:
SAFE, University of Malakand)

BRIDGING THE GAP BETWEEN ASPIRATIONS & ACHIEVEMENTS

TRANSPARENCY & ACCOUNTABILITY

SAFE operates under the direct supervision of a board of trustees comprising the senior faculty members of University of Malakand, Nominees of Promotion of Education in Pakistan Foundation and headed by the Honourable Vice Chancellor. It operates in collaboration with the Higher Education Commission (HEC) Pakistan, and PEP Foundation.

Separate committees have been formed for each activity (from collecting donations, selection of students to disbursement of scholarships). All the related information will be publicly available online on the University's website for scrutiny, and an Annual Report will be published each year.

Generosity is giving more than you can,

AND PRIDE IS TAKING LESS THAN YOU NEED.

Khalil Jibran

INTRODUCTION

Only through an easily accessible system to education that is of a high quality, contemporary and at par with the developed countries, can the national accumulation of knowledge, expertise and economic growth be achieved. It is part of higher education's role in Pakistan to produce professionals, scholars and leaders who can lead the country out of the poverty into an economically sustainable nation. Benefits of receiving higher education include personal achievements as well as social benefits such as promoting civic participation, moderation and tolerance in hopes of reducing violence and unlawful acts. The goal of establishing SAFE is to enable more students to access and receive a quality education at University of Malakand.

OBJECTIVES OF SAFE

The objective of SAFE is to assist talented students from economically disadvantaged backgrounds to attend courses toward undergraduate and graduate degrees at University of Malakand (UOM). The one half of the annual earnings from the principal of the endowment, will be used to award scholarships to deserving and needy students and toward any other immediate needs directly benefiting students attending University of Malakand, thus increasing the accessibility and quality of higher education. The other half of the investment gains plus the principal will be reinvested to achieve perpetuity of this program.

VICE CHANCELLOR'S MESSAGE

It is my pleasure to announce the launching of Students Advancement Fund Endowment (SAFE) at the University of Malakand. I believe that this fund would receive an unwavering support from all of you. I understand that through donations, gifts and bequests, SAFE scholarships will continue to support bright, talented and needy students of the University of Malakand.

Furthermore, we are determined to promote the great traditions of Philanthropy at the University of Malakand by consistently working together. This would help improve the social, economic and educational conditions of the underprivileged communities of Khyber Pakhtunkhwa, especially, Malakand division. It is my firm conviction that this step of the University of Malakand would usher into a new era where deserving and poor students would get an opportunity for quality education. Hence, my full support would be with SAFE team and I appeal to all to contribute to the fund with open heart.

Prof. Dr. Johar Ali
Vice Chancellor, University of Malakand

Registrar's Message

University of Malakand aspires to become a beacon of hope and prosperity for Malakand Division in particular and the whole Pakistani community in general. Towards this end we are striving to make a mechanism of inclusive education by establishing SAFE (Students Advancement Fund Endowment) at the University. SAFE would be financing underprivileged students who cannot acquire higher education due to financial constraints. We are committed to finance at least 20 deserving and needy students in the first year and would yearn to reach out our target of 200 scholarships a year in five years. As a member of the board of trustees of SAFE I urge you, with all humility and the passion for serving our community, to donate with open hands and be part of the golden history of Philanthropy.

Prof. Dr. Mir Azam Khan
Registrar, University of Malakand

Quality education for everyone

Executive Director's Message

Our students are among the most talented and brightest. Unfortunately some of these talented students are finding it hard to excel their potentials due to their financial problems. University of Malakand in collaboration with Higher Education commission has initiated a scheme entitled "Student Advancement Fund Endowment" (SAFE) to help and support brilliant students. The main sources of SAFE's income for the scholarships are donations, which will not only enable deprived students to gain higher education but will also help in promoting the bright UOMians to achieve their dreams of receiving higher education. Indeed, supporting these students would mean supporting their families and the society in general. The generosity of your donations will be creating a wave of new possibilities at University of Malakand. You are therefore humbly requested to donate for education, advancement of knowledge and uplift of the society.

Dr. Arshad Ali
Executive Director
SAFE

YOU HAVE THE POWER TO MAKE DREAMS COME TRUE, USE IT! DONATE NOW!!!!
