Table Agenda 01: APPROVAL OF THESIS STRUCTURE FOR MS/M.Phil/Ph.D UNIVERSITY OF MALAKAND

- i. Refer to the University of Malakand MS/M.Phil/Ph.D bylaws and onward, section 28 (ix) which states that, “the structure of thesis/research synopsis or other related matters, the ASRB shall frame rules”.
- ii. In order to address this problem, I developed and submitted a thesis style,/format, and submitted to the concerned quarters (UOM/Chem/2014/488 dated Nov 10, 2014)
- iii. As reported by Deputy Registrar Admission there is no approved format of research synopsis & thesis or other related matters in the University. Therefore, this synopsis/thesis style/format may be placed before ASRB for wetting/approval and if found appropriate may be circulated.

Decision:

The efforts made by Prof. Dr. Rashid Ahmad in making the subject format were highly appreciated by the members. However, to make the said format more uniform and flexible across faculties/departments, it was recommended to forward it to all Deans, and they have to arrange department and faculty wise meetings for incorporating necessary contents (if any) and finalizing the same within two weeks of the approval of the minutes; and submit the same for consideration and final approval of the ASRB.
